Dear Commercial Fisherman

The Massachusetts Lobstermen's Association would like to extend an invitation to all fishermen to attend our 2017 Annual Weekend and Trade Show event. It will be held this year at the Sea Crest Beach Hotel at Old Silver Beach in Falmouth. The event will be held on January 20th through the 22<sup>nd</sup> (Friday-Sunday morning).

Besides the fabulous trade show designed for commercial fishermen, there are also seminars and fun things to do during the course of the weekend. This has always been a fun and interesting time for all who attend. Come for the day or come stay for the weekend. Admission to the Trade Show is "FREE" and if you want to take part in all the other events and stay with us, you can go to our website [www.lobstermen.com](http://www.lobstermen.com) or call the MLA office at 781-545-6984 for all the details.

What else do you really have to do at this time of year? It's time for a break and a little fun and at the same time, check out all the trade show "stuff" that you may want or need. There's a "SUPER SILENT" auction, various raffles, great conversations, important seminars and it's warm inside too!! Whether you'd be coming up, down or over from "wherever", this is worth it.

The MLA is celebrating 54 years as an Association and has spent all those years trying to help all our Massachusetts lobster fishermen and the industry keep going and its focus has always been to be the vanguard or protector for all our fishermen so they will be able "*to do their thing which is, to go fishing.*" We've been the shoreside support and it has worked. When we speak, they listen and that's a good thing! We do want to keep it that way!

Back to the event, try to attend and join us. It will be worth it for you and we would love to meet, greet and enjoy your company because you are part of our industry.

Kind regards,

*Beth Casoni*

Executive Director
