YOUNG, D.J.

March 15, 2024

JUDGMENT

After careful consideration, the Court has determined and therefore declares that the Final Wedge Closure Rule violates the Consolidated Appropriations Act of 2023, H.R. 2617, through December 31, 2028. The Final Wedge Closure Rule is therefore void and unenforceable during that period. Final judgment is entered in favor of the Massachusetts Lobstermen's Association.

SO ORDERED.

/s/ William G. Young
